## **SPEED LIMIT REDUCED ON ROUTE 1 IN CHESTERFIELD FOR BRIDGE REPLACEMENT PROJECT**

*Work zone speed limit reduced to 35 mph between Gettings Ln. and Bellwood Rd.*

**Route 1/Jefferson Davis Hwy. (Chesterfield)** – Beginning Tuesday, April 15, the speed limit on Route 1 will be reduced from 45 mph to 35 mph in both directions from Gettings Ln. to Bellwood Rd. for the duration of a bridge replacement project. The project will replace the Jefferson Davis Hwy. bridge over railroad tracks and Chester Rd./Rt. 145.

Crews began work to replace the bridge, which will include four 12-foot lanes and a turn lane, in January. The project is expected to wrap up in May 2017.

More information on the bridge replacement project is available at [http://www.virginiadot.org/projects/richmond/route\\_1\\_bridge\\_replacement\\_in\\_chesterfield.asp](http://www.virginiadot.org/projects/richmond/route_1_bridge_replacement_in_chesterfield.asp). Live traffic camera feeds and real-time listings of road conditions and closures in Virginia are available on VDOT's 24-hour traffic and travel information website, [www.511Virginia.org](http://www.511Virginia.org).
